Minerva Mineral Spring Water is a world-beater. The following testimonials speak for themselves:

Chicago, April 1, 1905.

Henry Garben, Proprietor, Minerva Mineral Springs, Cary, Ill.:

I have made a bacteriological examination of the Minerva Spring Water by culture method, and have found the water free of bacteria.

DR. G. FUTTERER.

Venetian Building.

Chicago, Feb. 15, 1905.

Henry Garben, Proprietor, Minerva Mineral Springs, Cary, Ill.:

Dear Sir—On the 31st of January of this year I visited your spring at Cary, Ill., and personally took samples of water from it. From the very favorable results of my examination and tests, and from the additional fact that Prof. Wheeler found neither nitrates nor nitrites in the water, I am led to the conclusion that the water from your spring is practically free from organic matter and is one of great purity.

When I visited your spring I noticed with much interest the use of your patented device for protecting it from surface contamination, and I believe, as the results of my observation and tests, that the object is fully accomplished. Yours respectfully,

WALTER S. HAINES.

All packages filed at the Springs. C. Gilbert Wheeler, chemist, 143 Lake street, says: "Minerva Spring Water is entirely free from organic matter, is of unusual purity, and is especially adapted for table use."

Order from Henry Garben, Proprietor, 31 West Ohio street. Telephone Monroe 80.

**Fortune's Bottled Beer.** The Fortune Bottling Company has added to its large plant a magnificent bottling establishment. The new works adjoin the brewery on Van Buren street, west of Desplaines, and are fitted up with the latest and most improved machinery. Their capacity is very great, and the quality of the goods turned out of the very best. One of the features of the plant is the arrangement for cooling the beer. Not only has the latest cooling machinery been introduced, but the building in which the bottling is done is adjoined by another building in which freezing apparatus is placed. This keeps the temperature of the very walls at freezing point all the time. The Fortune Brewery produces a beer which is famous the world over. Now that its bottling works are completed, no residence should be without it. Telephone "Monroe 66."
